

Phoenix PCM-3500 Specifications

Dimensions	Length	96"/2.438 M
	Width	72"/1.820 M
	Height	54"/1.372 M
	Weight	3,300 lbs./1,496 kgms.
Fuel Tank Capacity	8 gallons/30.28 liters	
Hydraulic Oil Tank Capacity	15 gallons/56.78 liters	
Engine	Perkins 20.5 HP Diesel Engine.	
Tires	Front	(1)26"x12"x12" Silicon Filled
	Rear	(2)18.5"x8"x8" Silicon Filled
Hopper	Standard hopper is 1/2 cubic yard. Hoppers can be expanded by way of "hopper extensions" to meet the needs of specific job/mold requirements	
Vibrators	(1) Minnich 2.625" hydraulic vibrator. Second vibrator optional	
Auger/Trimmer	Not available on the PCM 3500	
Speed	Pouring speeds up to 30'/minute ***Speeds dependent upon job site conditions and mold size***	
Hydraulics	Single pump is pressure compensated variable displacement powering the hydrostatic transmission driving the front and rear wheel. Hydraulic valves are proportional for precise management of hydraulic oil pressure.	
Controls	iTerra™ proprietary electronic system delivers precise control over grade and slope improving job performance and speed helping to eliminate waste. Our iTerra electronics includes our advanced proprietary front steering sensor.	
Capabilities	Radius	18" when pouring monolithic curb.
	Width	Up to 18".
	Height	Will pour to 18" high.
Drive	2 - Wheel Drive	
Setup	Transports on a 12,000 KW trailer pulled easily by a 1 ton pickup. Offloaded and setup to begin work in less than 30 minutes. Quickly and easily cleaned.	
Performance	Curb, Curb and Small Gutter	
Accessories	Molds: Built to your specifications, priced from \$1,750.00 USD. Catch/Spill designs available. String Line Kits: 2000' string line kit \$1500.00; radius kit \$520.00 plus shipping.	
	All pricing in USD	
	Shipping - USA, FOB Estacada, Oregon. - International, EXW Estacada, Oregon.	
Warranty	6 Months parts and labor (please read warranty for specific details) All specifications, terms and pricing subject to change without notice.	

"Ease of transport and ease of use is what we needed. We move this machine with a pickup truck, set up in under an hour and cleanup even faster...and the curbs look great! The PCM-3300 truly delivers!"

Guillermo Siller
